# RECOUNTS AFTER THE GENERAL ELECTION

Eleven requests for recounts were received after the general election. One recount resulted in a change of winners - State Representative District 34 from Merrimack County. This recount was further appealed to the Ballot Law Commission who ordered another recount. The results of the second recount did not change winners.

The recounts requested for State Representative District 24 from Cheshire County, State Representative District 50 from Hillsborough County and Strafford County Commissioner, were called off before they were completed. There were no changes in any of the other recounts.

The recount of Hillsborough County Attorney was appealed to the Ballot Law Commission. Then, an appeal was filed with the Supreme Court, who ruled John Coughlin the winner.

Below, in the first column are the figures as officially returned to the Secretary of State. The second column contains the recount figures, and the third column contains the figures after appeals to the Ballot Law Commission. Asterisks designate the person elected.
