REPUBLICAN STATE PLATFORM

PREAMBLE TO THE 1972 REPUBLICAN STATE CONVENTION PLATFORM

We, the Republican Party in Convention assembled at Manchester, on Saturday, the 30th day of September in the year of Our Lord 1972 do hereby adopt the following statements of principle and beliefs for our Party for the next biennium of the State of New Hampshire.

We must attempt to improve government in ways which government can reasonably be expected to improve, with full realization that government will always face continuing problems. Our recommendations must balance desire to serve with practical realities.

We fully endorse the Republican Party's entire National Platform.

We reaffirm the Federal constitutional right to govern ourselves as a free, sovereign and independent state except for those powers expressly delegated to the Federal government, and we urge recognition of this fact by the Federal government.

We urge greater participation in government by all the voters.

We recommend that no non-funded programs be imposed by the State on subsidiary levels of governments.

We commend the action of the President in increasing oil imports to alleviate possible fuel oil shortages.

HUMAN RESOURCES

Social Services

In order to better serve the people of New Hampshire, we urge that every effort be made to improve our state institutions and to strive toward the re-accreditation of the New Hampshire Hospital.

We urge continued support of the Community Mental Health Clinics.

Education — Public Schools

We firmly believe the time is long past when there should be an in-depth analysis of our present public education system. We seek greater emphasis of Vocational education in our secondary schools.

The Republican Party reaffirms continuing support for assistance to non public schools.

Higher Education

Under present conditions, in higher education we will resist the
