## RECOUNTS AFTER THE GENERAL ELECTION

In this chapter may be found a brief description of the recounts of ballots held by the Secretary of State after the General Election of November 2, 1976.

In all, eighteen recounts were conducted: — one for State Senator District No. 16, fifteen for Representatives, one for Supervisor of the Checklist, and one for Moderator. The recounts were held November 15, 16, 17, and 18, 1976, in the Drill Hall at the National Guard Armory, Concord. As a result of the recounts, there were no changes of candidates.

Below, in the first column are the figures as officially returned to the Secretary of State following the election. The second column contains the recount figures. The names of the persons elected are designated by asterisks.
